BIBLE COSTS HALF A MAN'S MONTHLY WAGE!

WE HAVE RECEIVED AN S.O.S. to help in providing Scriptures for Eastern Europe, South America, Asia and Africa. In some countries a Bible really does cost half a man's monthly wage! For this reason the British and Foreign Bible Society is launching Bible-a-Month Club. It's a book club with a difference - instead of receiving a book each month you give one!

The membership subscription of £1.50 per month provides someone, somewhere with a Bible or Testament in their own language. Membership is welcome from all groups or individuals who feel they wish to contribute. Each member receives a monthly project card and a quarterly news letter telling you how you have helped folk in the last three months.

If anyone requires further information on the Bible-a-Month Club there are leaflets at the back of the church. Should you be interested in forming a group membership where the £1.50 per month is divided by the members please contact John or Jean Bennett.

NB A very important part of the project is the prayer focus and we hope that if you are unable to support us practically you will include the scheme in your prayers.

THANK YOU!

ALAN'S FIRST

ALAN GLASBY WILL preach his first sermon at St. Paul's at the 10.30 am Family Communion Service on Sunday, July 17th. PLEASE REMEMBER ALAN, KAY and SIMON and JOANNA in your PRAYERS during the early days with us. I am sure it will not be long before they are well known to all of us!

GLAD YOU ARE HERE - IT IS GOOD TO HAVE YOU!

FROM THE VICARAGE

My dear Friends,

WANTING THE BEST

I have been impressed and thrilled by the tremendous effort that has gone into providing street parties for our children, that they may thoroughly enjoy the Jubilee celebrations. Well done! I am sure our children had a really lovely and memorable time.

Of course, we want the best for our children. We take trouble and spend time and money to give our children what we consider is good for them. Certainly at St. Paul's we very much share this conviction. We have deliberately committed ourselves to do our best to help parents. We now have our own Playgroup run by churchmembers. We support and encourage the Mothers' and Babies Club that uses our premises. We have introduced Family Worship to enable families to come to church together on a Sunday morning. Our worship is designed to help children enjoy and learn in our services, and also for parents, who previously had lost contact with the church, to come and immediately feel at home. Meeting Point on Tuesday afternoons enables mothers to bring their children, knowing they will be cared for as they think about issues that involve their families.

Perhaps the highpoint of our effort for many is our annual Holiday Club. In spite of a change of clergy and the losing of the original leader, we have prepared with a mainly local leadership to produce the week as usual (Aug. 1-6). We hope that you will allow your children to come.

Because of our concern that children should have the best, we long that they should have a Christian Upbringing. Previous generations in this country have automatically been viewed as Christians, and have come to church for Baptism (or Christening) for their children. Today many parents find themselves uncertain of what they believe, and are unsure of what they want for their children. We warmly welcome families for Baptism, but also take care to teach parents and godparents what this means for them. They make solemn and serious promises before God to bring up their children as Christians in the life of the church. Many parents today make these promises, so that their children will not be denied the church's blessing, but

have little knowledge of what they are saying, and little intention to fulfil these promises. We are conscious that we may be causing many honest people to act dishonestly before God, for the sake of their children. Many parents feel that there ought to be another service that gives thanks for the lovely gift of a child, and asks God's blessing upon their little one, without themselves having to make such promises. We, of course, will baptise children if parents are sure that this is what they want. However we now have an alternative service of Thanksgiving and Blessing for them. This may mean the beginning of a sincere and honest re-examination of the faith, that will lead to firm belief, and the reality of genuine commitment.

We are here to help you, for we too want the best for your children.

Yours most sincerely,

Robert Palmer

MAKING A CLEAN START.....

Regular users of the Church Hall will notice changes taking place - for the better. Cleansing and redecoration is the order of the day. Over the past years of constant wear, certain deterioration has taken place, and the need for action has been evident. This has led to the reconstitution of the Church Plant Committee, and since the Annual Meeting it is under the chairmanship of Brian Thatcher. The Parochial Church Council have now approved Brian's appointment as the Church Hall Manager. He will have general supervision of all matters concerning the use and maintenance of the Church Hall. Mrs. Pat Manley will still be the Hall Secretary, and she should be approached when the hire of the Church Hall is required. Their addresses and telephone numbers can be found on p. 1.

The Church Plant Committee began its new term of service by recommending the purchase of new tables, and then the acquiring of an industrial cleaning machine for the floors. Although this equipment is expensive, the immediate result of this purchase is clearly evident. We shall now be able to keep the floors in first class condition. The next phase of the work is the redecoration of the Hall. This is a major operation, as we shall need to use volunteer labour, with limited available finance. However, an excellent start has been made with the smaller rooms! If there are any willing and able decorators who have time to help over the holiday period, could they please make contact with Brian Thatcher who will be delighted to hear from them! The ladies of the Committee are also making plans to produce new curtains throughout.

AND MAKING VESTRY IMPROVEMENTS

From the estate of the late Jack Waddup, money has been left to make a permanent memorial to the Waddup family. A scheme submitted by the P.C.C. for refurbishing the Choir Vestry, was thoroughly approved as a worthy memorial. At the time of writing work is well ahead, and new wardrobes and cupboards are taking shape. The improvements include a wash-basin, and in time, a new table.

SINCERE AND GRATEFUL THANKS to HAROLD HOLMES, DERRICK WACKER, CHARLES SAWYER and ARCHIE MILLS for such splendid work - which will be much appreciated by both choir and congregation.

HERE WE COME AGAIN!! - HOLIDAY CLUB 1977

Once again the doors will be open to the children of the Heath during the first week of August. Problems have been overcome, with the Vicar in general leadership, and each department led by a local leader, green lights are flashing. The Team is staffed with increasing numbers from the churches on the Heath, and reinforced by our faithful Bristol contingent.

Who Can Come? ANY YOUNGSTER on the Heath (and beyond) of three years and upwards to 15 is welcome.

3-11 years 10.30 am - 12 noon and 2.15 - 3.30 pm
11-15 years 7.00 pm - 8.15 pm (at the Baptist Church)

How Are We Going To Know The Details?

Publicity will be distributed through local schools and church organisations early in this month. There will be invitations available in both churches. Make sure that you know where and when your meeting is.

How Can Parents And Others Help?

WE NEED tins of food and other goods to help feed the Team. Please bring these as soon as possible to the boxes at the back of the church. URGENTLY NEEDED are craft materials, cartons, plastic containers, paper, cardboard, packets - in fact anything that will be useful in the craft sessions. Last, but certainly not least, DO PRAY REGULARLY for the SUCCESS and SAFETY of the CLUB. That everybody will have a super time, and also learn more about the FAITH OF JESUS. The last prayer letter is available this month in church.

What's Going To Happen? Ask any child who has been during the last few years. We shall have the programme of music, drama, quizzes, painting and craft work - all to help the children enjoy themselves and discover something of the Christian Faith.

The Team are led as follows:

Primaries (3-6) by Peggy Stubberfield

Juniors (7-11) by Vi Blacker

Inters (12-15) by David Frampton

For the Juniors
An outing to the
Bluebell Railway is
planned on Saturday

WHY DO WE DO IT? Simply because the Churches on the Heath are vitally concerned for our children. We know that many are bored through the Summer Holiday, and this facility is appreciated. We believe some families have lost contact with the church, not deliberately - sometimes because they do not feel the church has anything to offer them. We believe that we have much to offer them. Not only a good time, but to put them back in touch with living Christianity, and a chance to find God in their lives.

S T . P A U L ' S P E O P L E

We are thrilled to announce a new arrival in Ightam Road. Our congratulations go to Philip and Carol Hall, on the birth of a daughter, Kendra, a sister for Simon and Duncan, and also to the Morris family of Beechcroft Avenue on the birth of Stewart James, brother for Karen and Adam, on June 15th.

Congratulations to Archie and Thelma Mills on becoming grandparents again. They are delighted with their grand-daughter, Louise Elizabeth, as are Les and Eileen Mohrman on the birth of their grand-daughter, Rebecca Hope, on June 13th. The first of the recent crop of expectant church grandparents. Well done!

Several of our churchmembers have been in hospital recently. Len Weeks was taken to hospital at the end of May. It was decided that he should have a minor operation. We are pleased that he is progressing very well. We are now discovering how much we owe to Len. in all that he does around the church. We want him to be really fit before he comes back to full duties. We are grateful to the Brownies for agreeing to help with flower beds around the car park. Get well soon - we have certainly missed you!

We were very sad to hear of the death of Vida Grinham's father. Many of the congregation remember him, as Vida's parents used to look after the Vicarage while the Grinham's were on holiday. We send our deep sympathies to Vida and her mother, and pray that God may grant them His special comfort and love at this time. The service was held at St. John's Church, Penge, where he had been a member for many years. We also convey our deep sympathies to Edith Rose on the death of her sister, Pat Horwood, after a distressing illness that she bore with great patience and increasing faith. We assure Edith and Pat's family of our prayers at this time of their sad loss.

Miss Knowles was taken to Erith Hospital, and suffered a set-back while there. We continue to pray for her complete recovery. Mrs. Godding is in St. Nicholas Hospital recovering from an operation. We remember her, and trust she will soon be back home. We are delighted that Gertie Newlyn is home and gradually improving, after a very troublesome complaint. She gives thanks for the Church's prayers and asks that we ourselves give thanks for her gradual healing. It was lovely to see her back in church recently.

After thoughts of leaving the Heath, we are very glad that George and Anne Clarke have decided to stay. However, Mrs. Clarke has felt she should hand over some of her jobs to others. After many years faithfully caring for the Flower Rota she has handed over to Nora McGill. We are so grateful for these years of service, and to Mrs. McGill for taking on this work. We know from her lovely display on Jubilee Thanksgiving Sunday that we are in good hands.

SEA SUNDAY

WHEN I WAS asked to write this I was at somewhat of a loss to know what to say. How far is what I do here in Immingham relevant to you in Erith? In any case your preacher will tell you all about the work of the Society. But perhaps the fact that as you celebrate Sea Sunday at St. Paul's, Northumberland Heath, we shall be doing the same in St. Andrews, Immingham underlines the fact that we are all part of one Church - something which I believe we are often in danger of forgetting.

As I write this the liturgical theme for today's services is "The People of God" and it is because we are, or should be "The People of God" that what I and my staff at the Seafarers Centre here do is relevant to you. Not in detail, but in the general task of preaching the Gospel - which should be the whole work of the people of God. This is what the work of the Missions to Seamen is all about. By various means, with a mixture of men, women and buildings we endeavour to bring the Gospel into the lives of those who serve us at sea. This is why you will come together on Sea Sunday as will thousands of other churches all round this country and overseas as well, to pray for this work and for our seafarers. On behalf of those of us who work in the ports and on behalf of the seafarers, thank you for those prayers. They are the most valuable thing which you have to offer.

God bless you all.

NEWS ON NEAC! "One of the best series of mid-week meetings we have ever had!" was the comment of one church member. The significance of these NEAC 77 ACTION meetings has become apparent to the Parochial Church Council, and they have set apart a whole evening to discuss the findings of groups. A paper will be produced, which will be available, not only for the P.C.C. but for all church members. The P.C.C. meeting set aside for this discussion will be on September 26th and the paper published at the end of July. The filmstrip of NEAC "The Evangelicals" is available for showing to any group in the life of the church. Please apply to the Vicar.
